PERSONAL WATERCRAFT POLICY SUMMARY

Demands and needs

We have not provided you with a personal recommendation as to whether this policy is suitable for your specific needs. You require insurance to cover loss or damage to your Personal Watercraft and your liability in respect of that Personal Watercraft and this policy fulfils your needs.

You are reminded that under the Data Protection Act we are not able to discuss or deal with your insurance affairs with a third party, whether or not related to you, without first receiving your written consent. Should you believe that it may be necessary to deal with your insurance affairs through a third party you are requested to obtain from us an appropriate authorisation form to be completed which will allow us to deal with your nominated representative.

This is a brief summary of the policy terms and conditions although the full cover is subject to the Conditions Precedent, Limitations and other Terms of the Policy, a specimen of which is available on request and is subject to any additional cover [Endorsements] that may have been agreed.

We and other companies processing your data may from time to time need to undertake some of the processing in countries outside of the European Economic Area which may not have laws to protect your personal data, but in all cases we will ensure that it is kept securely and only used for the purposes for which you provided it.

We would remind you that you should review your insurance arrangements regularly to ensure that you are properly protected. Particularly you should ensure that you are content with the limits in any legal expense insurance.
